TO: Recreation Budget & Finance Committee / RECREATION COMMESION

FROM: General Manager

- SUBJECT: 7-month Budget Report and draft FY 2019/20 Budget for General Fund 3241
- DATE: January 28, 2019

The 7-month Recreation Budget Report details are incorporated within the attached draft FY 19/20 budget. A budget deficit for the District is not forecast and there is no need to adopt a revised District budget for FY 18/19. Unused contingency fund and excess revenue will roll over to the following year to the respective Capital Fund and O&M General Fund.

The Recreation Budget & Finance Committee is asked to review the details for each cost center and give staff direction. Any recommended changes will be investigated by staff and included in the preliminary budget to be presented in April.

COMMUNITY CENTER:

- The Community Center is primarily funded through operating revenue and grants. \$12,971 of Recreation Tax income is allocated to the Community Center cost center for FY 19/20.
- The LED lighting project in auditorium is anticipated to be funded through a capital improvement grant of \$52,200 with the balance paid from Capital Reserve Fund.
- Various maintenance and contract expense items are anticipated to increase 2% to 3%.

AQUATIC:

- Payroll expenses will continue to be the largest expense to operate the pool.
- Restroom improvements of \$70,000 are dependent on obtaining a grant of \$67,500 for the capital improvement.
- Lifeguard training and certification (#5230) costs will be higher in FY 19/20.

PARKS:

• Retaining wall along Pomona and replacement stairs at the corner of Rolph and Pomona will be treated as a capital improvement under the parks cost center. Grant(s) would be required to complete this project.

• It has been proposed that incidental landscaping expenses for Crockett's Memorial Hall be included in the parks cost center.

ADMINISTRATIVE:

• Property Tax and Recreation Tax is the primary source of revenue supporting the administrative costs of the District office. Payroll costs for the Recreation Department Manager and General Manager is the primary expense for this cost center.

POLICE LIAISON:

- District wages and incidental expenses continued to be recovered from Police Liaison parking fine revenue.
- Parking revenue is anticipated to remain the same in FY 19/20 at \$1,254. Expenses will exceed revenue and will draw down balance, estimated to be \$6,677 as of June 30, 2020.

<u>SUMMARY</u>

Total expenses budgeted will exceed revenue in FY 19/20. Both the Capital Reserve Fund and O&M General Fund balances will be drawn down. The total Recreation Fund 3241 balance ending June 30, 2020 is anticipated to be \$431,406. Having sufficient funds in the O&M General Fund helps guarantee that unforeseen capital replacements or decrease in revenue will not affect the quality of services provided to the public.
