JOB ANNOUNCEMENT
(2/1/2022)

Crockett Community Services District

Construction/Maintenance Worker

\$25.00/ Hour

The Crockett Community Services District is accepting applications for a Construction/Maintenance Worker to assist with maintenance and improvements of District Property. This job would be on a part -time flexible basis. This position reports directly to the District Engineer.

The job requires the ability to move and install furniture and equipment and perform various manual labor tasks. The successful candidate should have a working knowledge of construction and repair practice such as carpentry, painting, landscape, drywall, plumbing etc. and should be experienced with basic hand tools used in the trades (drills, saws, generators, paint sprayers, etc.). A Drivers License and insurable driving record required. Candidate should be able to lift up to 100 lbs.

SELECTION PROCESS

1. **Application Filing:** A Crockett Community Services District employment application must be submitted.
2. **Resumes:** A resume is optional and if provided, will be considered in addition to the application.
3. **Interviews:** Qualified applicants will be contacted for an interview.

POSITION IS OPEN UNTIL FILLED
