# Current page content.

The screenshot shows a web browser window with the URL [town.crockett.ca.us/lighting-and-landscape](http://town.crockett.ca.us/lighting-and-landscape). The page header includes the logo for Crockett Community Services District and a search bar. A navigation menu lists: Home, Governance, Departments, Updates, Employment, About Us, and Contact Us. A left sidebar lists departments: LIGHTING AND LANDSCAPE, MAINTENANCE, RECREATION, SANITARY CROCKETT, and SANITARY PORT COSTA. The main content area features the title "Lighting and Landscape" and several sections of text. On the right, there are two blue callout boxes: "MEASURE L TAX INITIATIVE" and "LIGHTING AND LANDSCAPE COMMISSION". The footer contains copyright information, contact details, and a "Join our mailing list" button.

**Lighting and Landscape**

The community of Crockett has a long and unique history. Many non-residents have fond memories of experiences in this quaint town that historically has been maintained by volunteers.

As one enters the community off Crockett off the 80 freeway, most visitors travel on Pomona Street and drive by the 80 underpass. The area from the freeway exit to the freeway entrance is owned by CalTrans but is leased to the Crockett Community Services District (CCSD). As the first place that most people travel, this area is an important location and represents the face of Crockett. For this reason, much of the maintenance focuses on this area.

**What is the Lighting & Landscape Division?**

The lighting & landscape division was created from the need to clean the community of Crockett and present a beautiful environment that represents the values of the community. While much of the cleanup work is performed bi-annually by the [Crockett Improvement Association \(CIA\)](#), there still remains the need for regular upkeep and maintenance throughout the year. [Measure L](#) is a property tax initiative that provides funding for this ongoing maintenance.

The CCSD Board of Directors has established a commission made up of community members, as well as volunteers, who are tasked with advising on the maintenance program and ensuring that the work stays on track and within budget. Four people now serve on this commission, and one seat is still open. If interested, information on how to apply is available on the same website.

While the CIA was the driving force behind Measure L, it is the CCSD that will be managing the L&L Maintenance Fund.

**What at the primary areas for Measure L funds?**

The L&L Commission has identified **six priority areas** to maintain that represent the areas of significant visual impact:

1. Bridgehead sidewalk
2. Street lights
3. Bridgehead area
4. Litter in target areas
5. Rolph Park public spaces
6. Downtown curb clean-up

**Oversight**

The [Lighting & Landscape Commission](#) oversees the activities of the lighting and landscaping needs of Crockett. The L&L Commission meets monthly (3rd Tuesday at 7 pm) and is open to the public. Everyone is welcome to attend. There are currently two vacancies. [Click here](#) to learn more about the [commission agendas and minutes](#), and apply for one of the vacancies.

**MEASURE L TAX INITIATIVE**

Once a measure initiative is passed, it becomes a piece of legislation called an ordinance. The special tax dollars authorized by the Measure L.

# Commission Location Map – Part 1

# Commission Location Map – Part 2

The screenshot shows a web browser window displaying the website for the Lighting and Landscape Commission of the Crockett Community Services District. The page includes a navigation menu, a search bar, and several sections of content. A sidebar on the left lists categories like 'LIGHTING AND LANDSCAPE', 'COMMISSIONS', and 'MEETINGS'. The main content area features a title 'Lighting and Landscape Commission', a detailed description of the division's purpose, a list of commissioners, and a 'Notice of Vacancy' section. A table lists upcoming meetings for 2024. At the bottom, there are two highlighted meeting dates: December 17, 2024 and November 19, 2024, both for 'Lighting and Landscape Commission Meeting'. A 'Join our mailing list' button is visible in two locations.

## Lighting and Landscape Commission

The Lighting & Landscape division was created to continue the cleanup efforts spearheaded by the [Crockett Improvement Association \(CIA\)](#) to beautify and maintain the community of Crockett. While much of the cleanup work is performed bi-annually by the CIA, there remains the need for regular upkeep and maintenance throughout the year. **Measure L** is a property tax initiative that provides funding for this ongoing maintenance. The first round of funding is scheduled to be received in early 2024.

Commissioners are subject to the Conflict of Interest Code and must file Statements of Economic Interests required by the [Fair Political Practices Commission](#).

### Meetings

- 7:00 pm
- Normally third Tuesday of each month
- Crockett Community Center  
850 Pomona Ave  
Crockett, CA 94525
